Establishing one's Rights
 in General Discussion

What are rights?- Freedom is a right: any form of regulation is an infringement on that right. The freedom to be who we are naturally endowed to be, genetically. A libertarian. A Conservative Libertarian ensures that everyone's freedoms are assured, including that of birds, bees, flowers, trees, seas, oceans and soils. We touch nothing unnecessarily.

Rights have to be ascertained within the Constitution of the State that one lives in through proactive determination of what the provisions are. No consultation with a lawyer will be fruitful in this regard. With the truth-path as one's guide, one needs to explore what one can get away with as possession is nine-tenths of the law.

Thank you for this clarification as to the road ahead, in light of the silence from the Courts as linked here: <https://www.knowledgeassessmentanddissemination.com/post/j00me572-e35ym660-ca-2023-000750>

I look forward to a comprehensive reassessment of our attempts to have our banking support restored through the appropriate channels which I presume includes the Financial Ombudsman Service overseeing the process; hence I am copying this communication to the FOS relating to Complaint PNX-5222561-R3M4 (Stripe Banking Services) .

2. The response from the State authorities was through Khadija Tul Kubra in LinkedIn to which I replied adequately in explaining to her that the website that I maintain is of 'Hinduism.'

3. Accordingly, I updated this book in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'Clarification.'; drawing a line under the proceedings as nothing was happening. The response from the State authorities was evident in that the terror and injustices were all organised by the Constitutional Monarchy.

Dear Sirs

I am still awaiting the payment of my damages and compensation demand of a total of £200 million from the Banks referred to the Financial Ombudsman Service as attached:
ToFinancialOmbudsmanService(All Banks to be assessed in Complaints)29Aug2024.docx; as well as Kent Police, the University of Greenwich and other State institutions named to the Medway County Court under its Claim No J00ME572.

Let me know how you will resolve this matter before I seek fresh legal advice for the conspiracy that has been organised against me in the matter of police brutality, M15/M16 engineered trolling-terrorism, victimisation, religious persecution, obstruction of justice and the deliberate perverting of the course of justice to deprive me of civil liberties and accompanying with that £55,000 financial dues as severance payment by the University of Greenwich together with £4170 paid under duress to the Cabinet office in June 2021.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 8 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

Dear Dr Shantanu

As you can imagine it's not going to be easy to help you with this issue.

To keep this as straightforward as possible, it appears the error message is because of the minus figure in the highlighted red box -1

Can I firstly ask you to remove the - (minus) and change this to a positive. If this allows you to Save & Continue then leave the figure as a positive, then after filing the return fully send us a message on here saying the figure and box number should be a minus and we can not the company tax records for you. The amount is so low, this will work out fine from our position.

Thank you,

Phil

Successful Receipt of CT600 submission online for Reference xxxxx01045

Thank you for sending the CT600 submission online.

HM Revenue and Customs(HMRC) have received the submission for reference xxxxx01045 on 04-09-2024.

It will be processed depending on further validation checks.

This usually takes at least 2 working days and you can check the progress for the return accounting period in the Corporation Tax section of the company's online tax account.

All parts of the Company Tax Return must be proper and complete and the content must be viewable by HMRC officers.

HMRC can't confirm that this submission meets that requirement until we've processed it and will notify you at a later date if the submission is not a valid Company Tax Return.

HMRC no longer issues paper acknowledgements. We recommend that you keep this email and a copy of the return.

The easiest way to make Corporation Tax payments is from the online tax account. You can also make payments at www.gov.uk/pay-corporation-tax.

Use the 17 digit payment reference appropriate to the accounting period, for example 1234005678A00101A.

You can find the payment reference for each accounting period in the online tax account. If you're unsure an email is from HMRC:

Do not reply to it or click on any links

Report the suspicious email to HMRC - to find out how, go to GOV.UK and search for 'Avoid and report internet scams and phishing'

Dear Financial Ombudsman

I am not at all very good at form filling so you would excuse me if I do not complete this latest form that you have sent me before all the preliminaries have been ascertained.

The Parliamentary and Health Service Ombudsman is currently looking into the same matter as you will note from the attached email that I received this morning: FrPHSO (Your email to PHSO_Stripe without Reference)4Sep2024.docx.

Additionally, I have asked Olives Solicitors to determine if it has been continuing to act on my behalf over the past 18 months as attached: ToRavinaKerirOliveSolicitorsccKMPTPALS(Is Olives Solicitors Still Acting on my behalf)4Sep2024.docx.

Furthermore: the State authorities intervened today with the following two telephone calls, although it is not clear to me what was being conveyed to me with regard to this matter.

At 10.52 am, the Mobile Phone had rung from a Spam Caller dialling from 01204 311 937.

At 1.11 pm the Mobile Phone rang from a Spam Caller dialling from 020 4618 5483.

Related to this, the correspondence between Krishna and me this morning ToKrishnaLabidiyoussef(SEORegistrationVAS_TCLS_TCLP-UK)4Sep2024.docx is very important, as you can imagine.

That is all the information that I have at this present time. I hope this is sufficient to determine that there is no duplication of investigational effort between these parties concerned about the matter in hand.

Yours sincerely

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service

2. The Courts are not independent in the United Kingdom and perform a regulatory function in civil proceedings and possibly also in criminal proceedings. The Police and the Security Services of MI5/MI6 are totally unregulated in my experience of having been victimised by Kent Police protecting the Courts and the regulatory bodies such as the Legal Ombudsman, the Financial Ombudsman Service, Solicitors Regulation Authority, the Samaritans, and the Parliamentary authorities at the Standards Commissioner and the House of Commons Petitions Committee.

3. The only uncertainty in my mind is whether these institutions are harnessed by the Constitutional Monarchy who see a danger to themselves from the way of life of a Hindu citizen worshipping a different God to Jesus Christ or even the Jewish God or Allah as the three aspects of what we call the Abrahamic Religions.

4. Notwithstanding, we are where we are and as you are aware I have brought the complaints against the NHS, the Samaritans and the Citizens Advice Bureau to the offices of the PHSO, but the other institutions referred to above also have persecuted me such that I have faced police brutality, trolling-terrorism that can only be described as engineered, victimisation and obstruction of justice to the extent that 26 years after I was dismissed by the University of Greenwich I continue to be owed £55,000 as my entitlement to severance pay and the £4170 that I paid under duress to the Cabinet Office as the Defendant in the litigation that I mounted against successive Prime Ministers of the United Kingdom.

5. I have not received a penny in damages and compensation let alone an apology from the Constitutional Monarchy of the United Kingdom

6. So kindly look into this matter with the urgency that it deserves in the interests of the British sense of justice and fair play.

Yours sincerely
